Hoopla

While you can get books, audiobooks, movies/TV shows, and music at the library, sometimes you're not up for a visit, or you need something **RIGHT NOW**. With Hoopla, so long as you have an internet or data connection, you can use your library card to rent ebooks, eaudiobooks, emovies/TV shows, and emusic, wherever you happen to be.

Start by visiting the library's [website](#). Select **Streaming & Digital**.

The screenshot shows the Eckhart Public Library website. At the top left is the library's logo. To the right are social media icons for Facebook, Twitter, Instagram, and a search icon. Below these is a navigation bar with links: MY ACCOUNT, RESOURCES, HOURS & LOCATIONS, CALENDAR, LIBRARY SERVICES, and ABOUT US with a dropdown arrow. The main content area features the text "ECKHART PUBLIC LIBRARY" in large, light blue letters. Below this is a large green arrow pointing downwards, with the text "Providing access to diverse information and opportunity for *creativity* and *discovery* at all stages of life." centered over it. At the bottom, there are four green circular icons with white symbols: a magnifying glass, a film strip with a play button, a camera, and a printer. Each icon is followed by a title and a description: "Search our Catalog" (Visit the Evergreen IN Catalog to browse, place holds, and pay fines.), "Streaming & Digital" (Access hundreds of streaming movies, documentaries, television shows, eBooks, eAudiobooks, and magazines on your devices.), "Online Photo Archives" (Search through the many photographs digitized at Willennar Genealogy Center.), and "Mobile Printing" (Visit our mobile printing site to send documents to one of our locations directly from your phone or mobile device.).

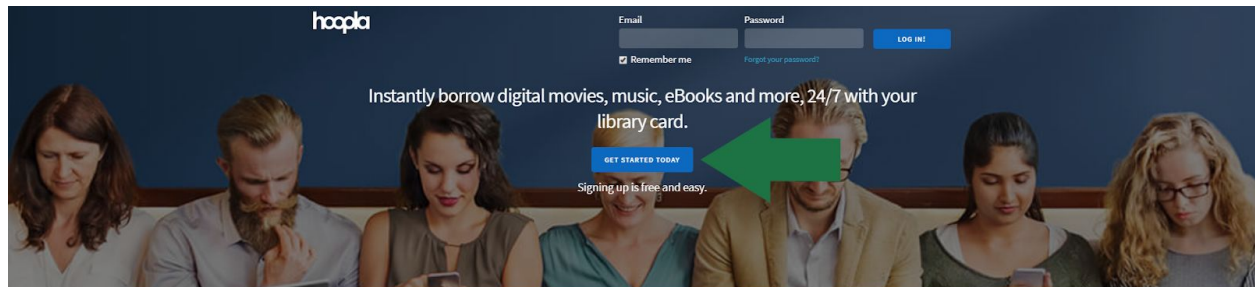

Select **Hoopla**.

Hoopla: Use your library card to access music, movies, television shows, eBooks, eAudiobooks, and more. Library card holders can check out 5 titles per month. Hoopla allows for simultaneous use and items automatically return themselves, so there are no holds and no late fees.

Some fires never go out... X marks the spot -- and when that spot is a corpse's naked back and the X is carved in blood, Detective Inspector Tom Thorne is in no doubt that the dead man is the latest victim of a particularly vicious contract killer. It's morbid and messy -- but it's a mystery with plenty of clues. This is turf warfare between North London gangs. Organized crime boss Billy Ryan is moving into someone else's territory, and that someone is ready to stand up for what he believes is his. Thorne's got plenty on his plate
