Library Foundation supports Strawberries Around the Fountain

Auburn, IN – The Eckhart Library Foundation is proud to support the Friends of Eckhart Public Library’s Strawberries Around the Fountain again this year with a \$1,000 sponsorship. The funds raised through this annual event help Eckhart Public Library continue to provide quality programming for the community.

This family-friendly, nostalgic event will be held in the Library Park, 603 S. Jackson St., on June 20 from 5–8 p.m. Volunteers will serve strawberry shortcake crafted by local businesses for \$10. Hot dogs and water will be handed out at no charge thanks to donations from The Auburn Moose Lodge and Mettert’s WaterCare. Attendees can enjoy live music, a book sale, children’s activities, wagon rides and more.

The mission of Eckhart Library Foundation is to support the library’s critical operations and infrastructure to ensure literacy, learning, and a place for all. Strawberries Around the Fountain aids in the library’s ability to offer literacy and learning through outstanding programming accessible to everyone in our community.
